Dear Michal,

Congratulations on your many accomplishments and accolades. We are so proud to have a student of your capacity as part of our Grosse Pointe Shores community. Your abilities, passion to learn and your love for the environment truly make you an outstanding student.

As a student of Grosse Pointe North High School, you must be so proud in all that you have achieved. You have excelled in academics and strived for excellence in your research in Green Chemistry as well as your publication in the scientific book "Green Chemistry Education: Recent Developments". Your acceptance to the selective neuroscience research program and being named a Neuro Lab Scholar is an outstanding accomplishment.

We congratulate you on your many accolades and awards given and your acceptance to the University of Michigan. Your hard work, dedication and leadership leads as an example to all students and exemplifies what a Grosse Pointe education and its opportunities have to offer.

I, Mayor Ted Kedzierski, the City Council and the residents of The Village of Grosse Pointe Shores, A Michigan City honor your accomplishments and share in the pride felt by yourself and your family and acknowledge your importance to our community.

Sincerely,

*Ted J. Kedzierski, Mayor*
